

3 INPUT WALL MOUNT CONTROL

The RMI-CC Wall Mounted 3-input Remote Control is a wall mountable unit intended for installation in areas where control of up to three inputs (and an additional, local stereo to mono line input) may be useful. The RMI-CC provides three microphone inputs, and two line inputs (resistively mixed to mono). There are three level controls corresponding to the mic and line inputs, an illuminated on/off button, and an illuminated assignable momentary switch (Auto/Manual).

- Auto/Manual illuminated switch
- Single CAT5e or better cable from RMI-CC to the iFlex mixer
- Size - 7 1/2 x 6 x 2 3/4 in.
- Weight - 14.3 oz

WARRANTY (Limited): Ivie iFlex products are guaranteed for five (5) years from date of original purchase against malfunction due to defects in workmanship and materials. If such malfunction occurs, unit will be repaired or replaced (at our option) without charge for materials or labor, if delivered shipping prepaid, to an authorized Ivie service facility. Warranty does not cover finish or appearance items or malfunction due to abuse, modification, lightning, or operation at other than specified conditions. Repair by other than Ivie or its authorized service agencies will void this guarantee. Products are sold on the basis of specifications applicable at the time of malfunction. Ivie shall have no obligation to modify or update product once sold.
